THE MILWAUKEE RADIO AMATEURS' CLUB INC.
MILWAUKEE, WIS.

BULLETIN

On Thursday September 4th, the MRAC will resume regular meetings in the conference room of the Public Library, after a three months summer vacation. The coming year should be the most momenteous year that the club has ever had. Your officers and board of directors have not been idle during the summer months. Regular Board meetings were held each month and business went on as usual.

The ARRL National Convention Committee has been organized by the Chairman Jack Doyle W9GPI and will be appended later. The ARRL has approved our agreement and have given us the go ahead sign with their blessings. Convention Committee meetings were held on the same dates with the board meetings and the committee is beginning to function. The convention dates have been settled and will be September 4th, 5th and 6th, 1948. The Auditorium has already been engaged and the general program is rapidly assuming shape. It is now up to us. That means you and me and every member of the MRAC will have to do his share not only by giving moral support but by actually joining in on the work. Perhaps it will also be necessary to call upon the membership for temporary financial support in that the membership will be asked to buy their tickets well in advance, perhaps around the end of this year. So start saving your sheckels. The response from hams outside of Milwaukee is tremenduous. Our nearby sister city clubs are offering their help and will be accepted. All we need now is a good official slogan. Everybody think up a good one and bring it along to the first meeting of the club. "Lets make it a date -- Milwaukee in 48".

The Hamfesters Radio Club, Chicago, are holding their annual picnic and "Ham Fair" Sunday August 24th, At Justice Park Gardens, 79th and Archer Avenue. Thats the same place it was held last year. All those who can should attend in order to make a large representation from Milwaukee. The Hamfesters are behind us 100% on the convention.

For those who seldom attend meetings the roster of officers and directors of the club for the coming year is appended, also the roster of the Convention Committee:

M R A C

Pres.	Fred Catel W9DTK	V. Pres.	Geo. Bowen W9DWI
Secy.	L. Reinmund W9PTE	Treas.	E. Felber W9RH
